EXPERIENCE

Developer   Jun 2023 - Sep 2023
HIGHER TECHNICAL INSTITUTE TAREMAIKUA, SANTA CRUZ
- Create a responsive and attractive design that works on a variety of devices and screen sizes.
- Make it easier to navigate and search for information for students, parents and staff.
- Provide quick access to academic programs, events, news and resources.

AREA TI   Jan 2024 - Mar 2024
Urbanor SA, Santa Cruz
I led the development of a Geographic Information project through the implementation of the Leaflet library. This project provided detailed descriptions of lots, blocks, streets and neighborhoods, offering a comprehensive view of the geographic environment. In addition, I played a fundamental role in providing technical support to the various office workers at Urbanor SA, ensuring efficient and optimized operation of the technological tools used in the company.
